Dear ROTOM Friends,

ROTOM will celebrate ten years of ministry to older persons in October 2013. The theme for this celebration is derived from Isaiah 46: 4

“Even to your old age I am He; to grey hairs I will carry you. I have made you, and I will bear the burden.”

As part of the celebration, I plan to walk 400 km (249 miles) from ROTOM Outreach Centre in Muhanga/Kabale to ROTOM head offices in Mukono. The celebration will climax with a Thanksgiving Ceremony and Official Opening of the ROTOM Health Centre on October 19, 2013.

The purpose of my walk will be to:
1. Demonstrate ROTOM’s dedication and commitment to serving vulnerable older persons.
2. Raise awareness about the plight of older persons.
3. Raise funds for the completion of the Mukono Health Centre and Medical Equipment for both our Health facilities.

I invite you to join me in the celebration of the miraculous 10 years of ministry by:
• Praying
• Organizing a walk or other activities in your community
• Sponsoring me or another person to walk
• Sponsor a Senior
• Supporting ROTOM financially
• Contributing finances or products for the celebration
• Celebrating with us in Uganda

For more information please contact your ROTOM country office on how you can partner and celebrate with us. God bless you,

Kenneth E. Mugayehwenkyi

“...but if you will consider one or two activities, I encourage you to consider the climax of the celebration scheduled for 19th October and the thanksgiving service at the cathedral in Mukono scheduled for 20th October.” Please bring the children with you. It will be a family event and we plan to have programs and activities for children.
In addition to the scheduled official opening of the ROTOM Health Centre in Mukono this October another ROTOM Health Centre was opened in Muhanga, Kabale in February this year. The opening ceremony was presided over by the Ambassador of Japan to Uganda His Excellency Kazuo Minagawa on the 28th of February 2013. It was constructed with support from The Stephen Lewis Foundation and the Government of Japan. We are very grateful to the government of Japan and the Stephen Lewis Foundation for making it possible for older persons to live a fulfilled and dignified life through improving their physical health. We look forward to the dedication of the ROTOM Health Centre in Mukono which has been constructed with the help of friends from USA, Germany, the Palle Moeller Foundation, DFCU Foundation and others at the 10 year celebrations scheduled for 19th October, 2013.

The health centers will provide health care to older persons and other residents in the surrounding communities.

ROTOM staff building a house for Jjaja Kiggwe

A few years ago, ROTOM staff decided to do a community service by physically doing a project for a needy older person. Since it started, the staff have built and renovated houses, latrines, done extensive cleaning of homes etc. this year, the staff built a house for Jjaja Kiggwe sponsored by one of our staff in Uganda. It was a time of pooling ideas and creativity but it all paid off with a wonderful new house put together with love, good will and sacrifice. thank you ROTOM for leading by example!
